

# Essential LED Neon Tube Light

- 24V - IP20 - Cool White, 6000K

# tagra®

SKU: NTUBE-CW

24V

IP20

6000K

3YR  
Warranty

- Various lengths available
- 360° illumination
- 25mm Diameter
- 3 Year Warranty

## Electrical Data

| Voltage | Wattage |      |      |      |
|---------|---------|------|------|------|
|         | 0.5M    | 1.0M | 1.5M | 2.0M |
| 24V     | 7W      | 14W  | 21W  | 28W  |

## Photometric & Light Data

| SKU      | Colour Temp. | LED Chip Type | LED Chip Size | Beam Angle |
|----------|--------------|---------------|---------------|------------|
| NTUBE-CW | 6000K        | 2835          | 3.5mm x 2.8mm | 360°       |

| Length        | LEDs / m | Lumens Total | Lumens / W | CRI |
|---------------|----------|--------------|------------|-----|
| 0.5M / 500mm  | 60 LEDs  | 665lm        | 95lm       | 80  |
| 1.0M / 1000mm | 120 LEDs | 1330lm       | 95lm       | 80  |
| 1.5M / 1500mm | 180 LEDs | 1995lm       | 95lm       | 80  |
| 2.0M / 2000mm | 240 LEDs | 2660lm       | 95lm       | 80  |

## Mechanical Data

| SKU      | IP Rating | PCB Width | Tube Diameter | Cable Length |
|----------|-----------|-----------|---------------|--------------|
| NTUBE-CW | IP20      | 8mm       | 25mm          | 1000mm       |

| SKU      | Operating Temp. | Av. Lifespan | Certification        | Warranty |
|----------|-----------------|--------------|----------------------|----------|
| NTUBE-CW | -40°C ~ +40°C   | 25000 hrs    | CE-EMC, CE-LVD, ROHS | 3 Years  |
